

North Cotswold District Scouts

I take pleasure in presenting this report to you all in my tenth year as chair.

The Executive has met regularly over the past year with the latter meetings since lockdown being online, I like to think that we have adapted well to these and I for one feel comfortable with being online.

Since the last AGM our last DC Tony Dale has moved on to pastures new and so we have found ourselves without a DC. Numerous discussions and meeting have been had; the search for a new DC is still ongoing.

In the meantime, Mark Spiller CC has been acting as our DC.

Both Mark and Ricky Campbell our deputy DC have done a great job trying to stay in touch with groups during the lockdown. This has not always been easy.

I would like to report that the Appointments Committee under the Chair of Stephen Perry and its secretary John Foster are organising panels as and when they are required and are keeping a steady flow of new appointments.

May I also say thanks to all leaders and committee members for attending the executive meetings since without you we could not have those meetings.

Neil Musgrave
Chair
